Office of the R.L.A.

A revised draft notification in place of A. &. F.D. draft is sent herewith .

2. The words "any local area" in section 3 of the Act are wide enough to include all local areas in the State. The object in view, namely, to specify the whole State of Bombay as the area within which the declaration under section 3(i) of the Act should remain in force can be achieved by referring to the districts one by one and thus exhaust the whole territory comprised in the State of Bombay. A separate notification for each district or a group of districts should be issued.
